

# **DGPS First Aid Policy 23-24**

Written by: Rachael Parums, Darren Frearson, Elizabeth McMath & Charlotte McCombs

#### Motto

Learning Together, Growing Together

#### **Vision & Values**

At Dove Green, we are creating a world class British school that promotes a respectful, happy, caring and inclusive community. We strive to prepare all students to become lifelong learners and responsible citizens, ready to meet the challenges of the future. In partnership with families and the wider community, our goal is to create purposeful, enriched opportunities for students that inspire them to become leaders of their own learning and develop the knowledge, critical thinking skills, and character necessary to succeed in an ever-changing world. We are dedicated to providing stimulating learning experiences through an evolving, challenging curriculum, fully reflecting the culture of the UAE and the wider world.

#### **DGPS Way**

At Dove Green Private School, we are:

Determined learners Global thinkers Positive achievers Striving for success

#### INTRODUCTION

Dubai Healthcare City Authority-Regulatory Division requires that every employer must ensure the protection of health and safety of employees engaged in their workplace. Dove Green medical staff are fully trained and compliant with DHA visits.

1- Pu	1- Purpose:		
1.1	Engaging in pro-active first aid in the management post an event.		
1.2	First-aidisappliedintheimmediate,temporarytreatmentfollowinganincidentorsuddenillness before the service of a physician can be secured.		
1.3	First-aid should be for prompt attention, given to injuries such as cuts, scratches, bruises and burns which are usually minor in nature. The provision of proper first-aid facilities is an important safety and health requirement.		

#### 2- Scope of application:

2.1 This Policy and its associated guidelines specify minimum requirements for the provision of first aid services, including trained first aiders. It is written and adopted by Dove Green and encompasses DHCC's commitment to provide guidance on the requirements of a first aid service that satisfies the legal obligation for the Business Partners.

#### **3- Applicable To:**

3.1	This policy applies to the school buildings and grounds of Dove Green Private School.

4- Policy:					
4.1	4.1 Policy Statement				
	4.1.1	All staff including all contractors' staff should adhere strict adherence to			
		this Dove Green First Aid Policy.			
	4.1.2	All new staff shall be oriented on the First Aid Policy as part of general staff			
		orientation programme			
	4.1.3	It should be understood that the onus on all operating / working in Dove			
		Green to demonstrate compliance with the DHCC Regulatory Division First Aid policy			
	4.1.4	Every adutonsie and their staff including all contractors staff should are required			
		to  report  all  incidents, whereby  First  Aid  was  applied,  regardless  of  the   severity			
		nor the nature of event, to the clinic nurse/and or doctor as oversight			
		advisers, ensuring the appropriate corrective actions are undertaken.			
	4.1.5	The school nurse will determine the appropriate safety provisions for a first			
		aid service in the area, including the number of designated first aiders			
		required, provision of first aid kits and first aid training.			
	4.1.6	Dove Green will ensure First aid kits will be supplied for the treatment of injuries			
		in the workplace. A first aid kit will be in the care of a responsible person (usually			
		a designated firstaider) and will be maintained by the nurse.			
	4.1.7	Dove Green will ensure there are trained personnel to provide a basic first aid			
		service. These designated first aiders will be in possession of an up to date			
		First Aid Certificate. They will participate as active members of emergency			
		preparedness teams, as and when required. This will be displayed.			
	4.1.8	All first aid treatments and descriptions of those treatments will be recorded.			
	4.4.0	Records will be retained for 3 years, unless other specific requirements apply.			
	4.1.9	It is the school nurse and operations department's responsibility to ensure			
		they have sufficient qualified First Aiders to fulfil their safety needs at all times.			
	4.1.10	For science and D and T departments (with potential for biohazard -blood or bodily			
		fluid exposure), access to eye wash equipment is required.			

4.2	Why Report a	n Event to DHCR HSE
	4.2.1 It is	a DHCC wide quality initiative, which will enhance the safety of our patients,
	em	ployees and visitors
	4.2.2 Fir	st Aid Events are analysed to determine whether there are any trends that
	rep	present potential problems in the delivery of care
	4.2.3 Firs	st Aid reports call attention to situations that may require corrective action. They
	hel	p identify trends and patterns of unsafe practices
4.3	What to repor	t
	Thefollowingin	formationmust bereportedregardingaFirstAid`Event'(refertoDefinitions)
	to DHCR HSE, r	egardless of severity or nature, (refer to the 2018 DHCR HSE Incident Policy):
	4.3.1	ExactLocation (example: Room Number, Unit Number,
		Name of Company, Floor, Building)
	4.3.2	Date & time (exact time)
	4.3.3	Names of personnel involved (full name and contact of all who witnessed /
		involved)
	4.3.4	Full details of the Person in Charge (Name / Mobile / Email)
	4.3.5	Description of the Event
	4.3.6	Initial actions taken to avoid recurrence
	4.3.7	Nature of injuries or suspected injuries
	4.3.8	Details of property damage
	4.3.9	All areas of the Incident form to be completed
	4.3.1	0 Only factual and objective details should be recorded – not opinions
	4.3.1	1 Writingshouldbelegibleandusingablackpermanentinkpenortypedifin
		electronic format
	4.3.1	2 Signatures on the form are to be written legibly

### 5- Procedure

#### First Aid Boxes Locations

5.1.1 In every area, there shall be a first-aid box or cupboard provided,

maintained and readily accessible during all working hours

5.1.2 Where the number of employees is more than 150, but less than 250, one more additional unit (complete set) shall be kept on the premises. (Currently at 100)

<del></del>	
	5.1.3 Each first-aid box or cupboard should be placed in a clearly identified and
	readily accessible location (clinic/ science room/PE department).
5.1	Quality and Location of First Aid Boxes
	5.2.1 Boxes and kits should be checked frequently to ensure they are fully
	stocked and all items are in a usable condition. The first-aid box or
	cupboard should protect the contents from dampness and dust.
	Storage of First Aid Boxes
	5.2.2 First-aid box should be kept as near as possible to
	hand-washing facilities
	5.2.3 First-aid boxes should be free from dust and damp
	and kept clean and tidy at all times
	5.2.4 Access to First Aid Boxes must not be obstructed
5.2	Workplace with < 250 Employees
	5.3.1 Where there are 250 or more workers at work, a first-aid room of size 20
	sq.meterscontaining the prescribed equipment and material under the
	charge of a qualified first-aider possessing a certificate approved by Dubai
	Municipality / Government of Dubai / U.A.E.
	5.3.2 The name of the first-aider should be exhibited in the premises.
	5.3.3 The employer should ensure that adequate facilities are available to call
	physician or ambulance or contact any other agency or to transport the
	injured person from the workplace.
1	

5.3	First-aid	
	Access to First Aid Boxes should:	
	5.4.1 Be readily available and used only for rendering of first aid	
	5.4.2 Maintain and ensure there is a consistent supply of first-aid	1
	5.4.3 A list of first-aiders is kept in the operations department	1
	5.4.4 All staff must familiarise themselves with named First Aiders	
		1

Items Required in a First Aid	Box				
Item		Na	o. of Empl	loyees	
	1-10	11-25	26-50	51-100	101-150

Anti-septic Solution	250 ml.	500 ml.	500 ml.	500 ml.	1000 ml.

5.5	What is required in a First Aid room should
	A Stretcher
	Wheel Chair
	A sink with hot and cold running water
	Drinking water
	Paper Towels, soap and nail brushes
	Smooth topped impermeable work surfaces
	Clean garments for use by first-aiders
	Clinical thermometer
	One wash bottle
	A couch with pillow and blankets frequently cleaned
	Dressing Trolley (2 shelves with castor wheels)
	Kidney Tray Medium size - 2 Nos.
	Splints of different sizes
	Eye wash equipment (for facilities with potential bio hazard exposure)

5.6	Treatment of minor / non-life threating injuries			
	Employees who suffer minor harm, if they can carry out local minimal treatment to minimise inju			
	by following these steps:			
	Seek help from colleagues			
	Utilise the First AidBox			
	Apply preliminary First Aid, is suitable			
	Attend ED for clinical intervention			
	Attend Occupational Medicine			
5.7	Procedure in the event of an incident (injury/illness)			
	The first-aider should be notified immediately. Following an accident the first-aider must decide on			
	assessing the situation whether to treat the person if a minor injury/illness as presented or refer			
	to an Emergency Department in a local Hospital.			
5.8	Hygiene/Infection control			
	5.8.1All first-aiders should take precautions to avoid infection and			
	must follow the hygiene procedures and comply with the First Aid			
	Training			
	5.8.2Allfirst-aiders must ensure that waste is disposed of in the			
	correct manner.			
	5.8.3 Where blood spills occur, Biohazard kits are available to assist			
	with spillage of body fluids.			
	5.8.4 All First Aiders must have the immunization against			
	Hepatitis B completed.			
5.9	Duties of designated first-aiders			
	The duties of the designated first-aiders include:			
	5.9.1 Maintenance to approved standards of first-aid stations			
	(kits and boxes) in their area.			
	5.9.2 Ordering / replenishing of first-aid material			
	5.9.3 Management and leadership in the event of an accident at work			

5.10	Training Requirements of First Aider
	Employers must ensure First Aider has the appropriate valid and certified training qualification
	from one of the following Training Providers:
	5.11.1 Red Cross

	5.11.2 Red Crescent	
	5.11.3 St Andrew's FirstAid	
	5.11.4 St John's Ambulance	
	5.11.5 Or a Training Provider that provides accredited courses	
5.11	Audit	
	All BP must retain Incident Reports for all First Aid Events, which should be available for	
	inspection by DHCR HSE Inspection Team.	
5.12	Enforcement	
	It is the responsibility of the Business Partners to ensure compliance with	
	the DHCR Incident Policy.
